

TAKING THE BOAT LIFT TO A WHOLE NEW LEVEL...

THIS FLOATING DOCK WITH BUILT-IN BOAT LIFT IS THE IDEAL SOLUTION FOR MANY WATERWAYS...

- Self-contained Lift and Dock
- Concealed Mechanics Allow: Complete Access to Boat Unobstructed Water View
- Easily Installed, Moved or Removed
- AC or DC Solar Power
- Adjustable Up and Lower Stops
- Decked to Match Any Environment
- Can Be Installed Where Piles Cannot
- Very Flexible and Expandable

Invented by marine construction expert Ben Nelson, Jr., the **Nel-sun**™ zero-profile solar float lift provides you with a convenient, attractive & environmentally-sensitive addition to your dock area. Hidden mechanics provide easy access to your boat & an unobstructed water view.
